

## SPECIALTY PRODUCTS & **MODIFICATIONS**

Allied Moulded has worked hard to be your source for fast, no-hassle modifications. With complete modification services, the need for inconvenient secondary handling of your enclosure is eliminated, saving you time and money. Complete modification services include but are not limited to:

- Holes and cutouts
- Polycarbonate viewing windows
- EMI/RFI shielding
- Factory supplied silk screening
- Molded-in color matching

Because of our dedication to providing you with outstanding service, we have the lowest volume requirements on custom work in the industry and guarantee quick delivery, often in less than three weeks from receipt of your order!
